A Message from our Youth Group

Thank you, parishioners who supported the March for Life breakfast and spaghetti dinner fundraisers. Your help and support makes it possible for over 90 pilgrims to attend the 2017 March for Life in Washington, D.C. We will depart next Thursday, January 26 for our pilgrimage. TV Coverage will be available on EWTN beginning with the Vigil for Life Mass at the National Basilica and continues at the March held in the National Mall. We will be wearing yellow scarves and light blue shirts. Please keep us in your prayers for safe travel and our cause. Thank you again for your support.

**Spiritual Adoption
Month 4 – “I had a dream!”**

The baby’s brain has begun maturing – a process that will continue until she is about 14 years old. Her eyelids are now sealed shut and will re-open at 7 months. Her taste buds are now working. Nutrients consumed by her mother are passed on to her in an hour or two. Three hundred quarts of fluid a day are sent to the baby via the umbilical cord. Fine hair begins to grow on head, eyebrows and eyelashes. Facial expressions similar to the baby’s parents can be seen at this time. This month REMs (rapid eye movements) have been recorded – a sign of dreaming. Pray for all the unborn.
