Spiritual Adoption

“Our baby” is growing. Please include in your prayers for the unborn and for the mothers and fathers of those children. Pray for children who were wanted and prayed for and also for those who may have been conceived unexpectedly. We ask you to pray for parents who are considering abortion and for those considering an adoption plan.

Month 2 “I’m dancing!”

The developing baby is now called a “fetus,” which is Latin for “little one.” She is making rapid progress developing all her external and internal organs. During the second month, baby teeth form, and fingers and toes are developing. Her ears, nose, lips and tongue can now be clearly seen. Brain waves can be recorded. The skeleton changes from cartilage to bone. The central nervous system is now functioning, and so forty muscle sets begin their first exercises. By 8 weeks, all body systems are present. This little one is now jumping, flipping, and turning – her first dance steps!

Please pray:

Lord Jesus Christ, You took our human nature upon Yourself. You shared our life and death, our childhood and adulthood.

You also shared our time in the womb. While still God, while worshiped and adored by the angels, while Almighty and filling every part of the universe, You dwelt for nine months in the womb of Mary. You were our Redeemer in the womb, our God who was a preborn child.

Lord Jesus, we ask You to bless and protect the children who today are in their mother’s womb. Save them from the danger of abortion. Give their mothers the grace to sacrifice themselves, in body and soul, for their children. Help all people to recognize in the preborn child a brother, a sister, saved by You, our Redeemer in the womb.

A New Catholic Health Care Alternative: The Christ Medicus Foundation's CURO Ministry

NORTH COAST CATHOLIC / SEPTEMBER 2015 / www.srdiocese.org

by Michael O'Dea

Since the passage of the Affordable Care Act (ACA, aka, Obamacare), the Act's enabling of public funding of abortion, and the enactment of the HHS contraceptive mandate which has threatened the religious liberty of pro-life employers, many Catholic faithful have looked for a health care alternative that protects their right of conscience.

In the October 2014, the Catholic 501(c)(3) Christ Medicus Foundation (CMF) launched the CMF CURO Catholic health care ministry which provides an affordable Catholic health care alternative.

Working with the Protestant non-profit Samaritan Ministries International (SMI) and its 47,000 member households, CMF CURO empowers Catholic individuals and families to engage in health care sharing with other Christian families nationwide that is exempt from the Individual and HHS Mandates.

CMF CURO members participate in sharing their medical costs with SMI's households nationwide that now share \$11 million in medical costs per month. Members of CMF CURO are provided with a first-of-its-kind CMF CURO membership debit card, which adds great efficiency to the sharing process.

The organization also uniquely provides reference-based pricing that empowers members to negotiate their medical costs with health care providers earlier in the health sharing process. Additionally, members are given access to online health and wellness tools that assist them in being good stewards of the gift of life God has provided.

Instead of paying a monthly health insurance premium payment to an insurance company, members of CMF CURO pay a monthly "share payment" directly to another a member-in-need of health care. The amount of the monthly share payment is usually the same every month. A member-in-need will receive checks from numerous members of the ministry and will then use those checks to directly pay their medical costs. A member-in-need will receive up to \$250,000 from the members of the ministry to pay the medical costs of any one health care need. Through Samaritan Ministries International and the Christ Medicus Foundation, CMF CURO members have access to additional layers of financial support that help pay for a medical need that exceeds \$250,000.

CMF CURO members have their right of conscience protected because they are not required to subsidize abortions, sterilizations, contraceptives or other services that violate Catholic teaching. Additionally, the costs of CMF CURO are significantly lower than health insurance plans.

Bishop Robert F. Vasa has been on the CMF Advisory Board since its inception in 1998. For more information, please contact Kate Allwein by email at kateallwein@christmedicus.org or at 614-940-4652.

Eat at Chipotle and Support NC Girls Basketball

NC Girls Basketball Team is having a fund raiser at the Newark Chipotle on Tuesday, November 10th, from 5:00-8:00 p.m. Just tell the cashier before you pay that you are there for the NC fund raiser and 50% of the proceeds will be donated to the team.

The Turban Project is running a GoFundMe campaign to raise much needed funds to become a 501(c)(3) nonprofit. We have been unable to receive larger donations because they haven't been tax deductible. Becoming a nonprofit will change that. In less than three and a half years, we have donated almost 4,000 turbans, do-rags, knit hats, and scarves to patients. We stock eight hospitals/treatment centers and have mailed many nationwide. We go to patient's homes to let them try on and pick out what works best for them. There is never any charge for the patients. Go to www.gofundme.com/theturbanproject to donate. You may also mail donations to The Turban Project, 7871 Ridge Road, Frazeytsburg, OH 43822. We ask that even if you can't donate, that you prayerfully like and share our ministry with your family, friends, and business contacts. If you have any questions, call either Kathy Braidich at 740-504-6133 or Sally Oldham at 740-246-5843.

Bethesda Post-Abortion Healing Ministry

Sometimes memories can keep us from experiencing the fullness of new life even following the reception and graced forgiveness from the Sacrament of Penance. If you have experienced abortion in your life and the memory continues to haunt you, perhaps inviting Jesus often into that memory will open your spirit to the peace only He can give. Begin by praying "Jesus, I don't want to be chained any longer to the memories of my abortion. Please come heal me." To share the graces of this journey with those who have been there, contact us on BHM confidential phone lines at 614-309-0157 or 614-309-2651.
